"Serving Military Families in the 21st Century offers a wealth of information about working with military families. I recommend this book as a resource both for behavioral health providers working military families as well as for those interested in beginning to do so." - Dr. Marjorie Weinstock, Center for Deployment Psychology, USA

Serving Military Families in the 21st Century (Textbooks

...

The military force component of 21 st-century U.S. posture must be a more focused one and a different one, but not a weak one. Domestically, security of the homeland is active, effective security. This U.S. foreign policy would result in a change in military doctrine, and it would be decidedly neither passive nor pacifist.
