It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Awaken 1 Katie Kacvinsky

A good, intelligently written book by Katie Kacvinsky, Awaken is a dystopia novel based around one sole fact: the impact of technology in the future. It's already visible now how much people depend on their technology: to keep in contact with friends/family, to pass the time, to solve arithmetic problems, for gaming, shopping, watching films etc.

Awaken (Awaken, #1) by Katie Kacvinsky

Maddie lives in a world where everything is done on the computer. Whether it's to go to school or on a date, people don't venture out of their home. There's ...

A Writer's Review: Review: Awaken by Katie Kacvinsky

Awaken was so good, I'm still considering rereading it immediately, now, when I'm done with my review. Awaken is both futuristic and present. Kacvinsky illustrates how people in 2060 (and today) choose to be almost solely connected to the digital world. Everywhere people are plugged in. Face to face interaction is almost nonexistent.

Awaken 1 Katie Kacvinsky - chimerayanartas.com

Interestingly enough, the story is also about all the beauty and nature this society has lost. With a need for technology that borders on the pathological, and a complete abandonment of anything natural for that which is safe, controlled, and digital, this cover is a natural fit (pun intended) for Katie Kacvinsky's Awaken.
