Timeline of African-American history - Wikipedia

In the years between the mid 17th century into the later part of the century blacks were able to acquire land and status in the Virginian society. This proves that racial prejudices were subtle in this time span. In a society of even minimal equality in race it is possible for blacks to succeed alongside the white community.

Free Blacks in the 17th century, American History ...

By the end of the 17th century, approximately 1,300,000 Africans had landed in the New World. From 1701 to 1810 the number reached 6,000,000, with another 1,800,000 arriving after 1810. Some Africans were brought directly to the English colonies in North America.

African American History | Scholastic

Slavery began in the United States in the early 17th century and continued through the 18th century. The first Africans (about 20 people) were brought to the North American Colony of Jamestown by a Dutch ship in August of 1619 (History Channel). These early Europeans who settled here in America turned to African slaves as a cheaper, more plentiful labor source than indentured servants (who were ...

History - African American Culture

African-American English evolved during the antebellum period through interaction between speakers of 16th- and 17th-century English of Great Britain and Ireland and various West African languages. As a result, the variety shares parts of its grammar and phonology with the Southern American English dialect.

African Americans - Wikipedia

The purpose of the Free African Society was to develop a mutual aid society for Black Americans in Philadelphia. By 1791, Jones was holding religious meetings through the FAS and was petitioning to establish an Episcopal Church for Black Americans independent of White control. By 1794, Jones founded the African Episcopal Church of St. Thomas.
