Sounds like a ZZ Top song, or a new A&E reality show, but it's the title that Sperry tossed onto our editor's choice boat shoe. Top-Slider Billfish 3-Eye are about as far away as you can get from boat shoes, while still sticking to the general construction, and providing that long stitching pattern on top your feet to give a nautical feel.

Recommended Boat Size. Many manufacturers give this as a guide, some don't. We have used the heavier/longer boat size/length. i.e. if an XkW motor is recommended for a 4 ton boat and a 2XkW motor is recommended for a 6 ton boat, we have said that the 2XkW motor is good for all boats up to 6 tons. The designation used is < X tons.
