The EVOLVA 1-2-3 grows with your child as it can be used for children from 9 kg to 36 kg. This makes it the only car seat you'll need after an infant carrier. As your little one grows, you can easily switch from the integral harness (up to 18 kg) to using the car's 3-point seat belt (up to 36 kg) to secure the child in the seat.

All were on offer, all Group 1-2-3 car seats, reasonably priced and I decided to go for Evolva. It had better reviews and Britax is a well known, trusted brand when car safety is concerned. Nothing against Cosatto (if it was for design only, Britax couldn't compete), it just felt right to go for Britax car seat.

The Evolva 1-2-3 SL SICT is one of Britax's latest releases for parents who want a car seat that will grow with their child. It was unveiled in February 2017, the same time as the Advansafix III SICT: both are upgrades on earlier versions and both are suitable for children aged from 9 months to 12 years old, but they are quite different.
