Align Your Business to Your Soul's Design - Barbara Brodsho

One of the most important and potentially challenging steps of starting a business is choosing a business name. For some, choosing a business name is the first step tackled because it's simple, quick, and obvious to the business owner. For others, it's a struggle to identify a business name that truly encompasses the business and everything it stands for.

5 Tips for Choosing a Great Small Business Name

Successful business slogans are often quite simple and easy to remember as well. For example, "You're in good hands with..." most people would know which company name is at the end of that slogan. The power of a business slogan certainly cannot be underestimated. However, creating a memorable business slogan may seem harder than it really is.
