The board book — sized to fit comfortably in the hands of a baby or toddler, and with chunky pages that can't be ripped — has to be one of the greatest innovations of the print era.

Board Books to Get Babies Talking - The New York Times
Moo, Baa, La La La by Sandra Boynton. If the adorable babbling in the kids' corner at the bookstore has taught me anything, it's that kids love funny sounds. This little board book is a fantastic read-aloud to teach babies the sounds that animals make. And again...that title is just fun to say.
