Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Cognitive Psychology A Student39s Handbook

Since I (Mark Keane) first collaborated on Cognitive Psychology: A Student's Handbook in 1990 my professional life has undergone considerable change, from a post-doc in psychology to Professor of Computer Science. My original motivation in writing this text was to influence the course of cognitive psychology as it was then developing, to ...
