detail right now - just get a general feel for the language of graphics. We hope you like the object in Figure 1, because you'll be seeing a lot of it. Before we get started on any technical drawings, let's get a good look at this strange block from several angles.

Design Handbook: Engineering Drawing and Sketching ...

The aim of the book is to provide a well-built foundation of engineering drawing to the beginners and to provide a scope to have a brushing up facility for the practicing engineers. Keeping these two basic objectives in view, a step-by-step approach has been adopted - starting from drawing instruments, sheets, scales, curves, etc.
