Monetary economics is the branch of economics that studies the different competing theories of money: it provides a framework for analyzing money and considers its functions (such as medium of exchange, store of value and unit of account), and it considers how money can gain acceptance purely because of its convenience as a public good. The discipline has historically prefigured, and remains ...

Assisted Suicide in Canada . For many years, suicide and attempted suicide were considered criminal offences. In 1972, suicide was decriminalized in Canada, and someone who now attempts suicide is not liable to sanction under the Criminal Code. However, assisted suicide remained a criminal offence under section 241(b) of the Criminal Code. Anyone found guilty of counselling another to take his ...

Canadian Immigrant

A more ambitious student may wish to consult either the 1961 or 1971 edition of Rostow, *The Stages of Economic Growth*, for a particular country and examine Rostow's analysis. Asking a student to undertake this analysis is possible only for an exercise outside of class or if the test is an open-book test.

Chapter ending questions:

Management, 15th Edition vividly illustrates effective management theories by incorporating the perspectives of real-life managers. Through examples, cases, and hands-on exercises, students will see and experience management in action — helping them develop the specific skills that employers are looking for and understand how the concepts ...
