EVO HTML to PDF Converter for Azure was developed for Azure App Service applications which have to run under a restricted environment. The regular library for .NET and .NET Core can still be used directly in web roles and worker roles of Azure Cloud Services and in applications running on Azure Virtual Machines but for Azure App Services applications this is the recommended solution.

EVO HTML to PDF Converter for .NET

The X-E2 is the mid-range model in Fujifilm's X system of mirrorless interchangeable lens cameras, sitting between the relatively affordable X-M1 and X-A1 twins, and the unashamedly high-end X-Pro1 and X-T1. It's an update of the X-E1, which we liked a lot for its combination of 'old school' handling and excellent image quality, giving it our Gold award in our review.

Fujifilm X-E2 Review: Digital Photography Review

The X-Pro1 is most easily characterized as a beefed-up, interchangeable-lens version of the X100, but it's a lot more besides.It retains the same basic analogue control philosophy, but the design has been rationalized and refined in a fashion that suggests Fujifilm has been listening to feedback from users and reviewers alike.
