1993 Lincoln Town Car
- Satisfied with my
Lincoln Town car
Almost 20 years ago, I
purchased my used by
one-owner Lincoln
Town Car - and have
never regretted it. It
had been owned by a
now-deceased older
gentleman who babied
it - cars like this are
called (in the industry)
"Cream Puffs," and I
felt lucky to get one.

My Lincoln was a used car, I really enjoyed from the time I got. I have a a few problems, but no major one. One of the problems I had was with the traction. The next thing I had to replace is the steering gear and lastly the serpentine belt.
