106 Genetics Quizzes Online, Trivia, Questions & Answers ...

Genetics do play a role, but environmental effects matter a lot too. Is a person born gay, or is it a learned behaviour? What about bisexual? Orientation is not a choice for most people, and it is not possible to "unlearn" your sexual orientation. We don't know much about the genetics of bisexuality, but it is also almost certainly not a choice.

Commonly Asked Questions | Understanding Genetics

Socratic is extremely helpful in my lectures. I use Socratic to create a quick quiz at the beginning of every session using multiple choice and short answer questions. I love Socratic since it provides a friendly platform for users. In addition, I can easily monitor and keep track of student progress and see the performance of the class.

To help ensure the quality of the test, a genetic test should be done with a dedicated sample whenever possible i.e. a sample collected specifically for that test rather than a sample that is used for multiple tests. We recommend that the patient or another adult check the labelling of request forms and sample tubes.
