"Bought a 35 ton Huskee log splitter from Tractor Supply and used it 4 winters and now it's pure junk. The Briggs engine has a plastic carb with a quad ring that goes bad and you can't find a replacement without ordering one. The hydraulic cylinder is leaking profusely!

Huskee Log Splitter Review - Worth The Money?

The 35 ton Yardmax log splitter went through it like a hot knife through butter. Very impressed at this stage. After the warm up I wanted to really test this machine out by putting some red oak through it that were 34 inches in diameter. 34 inch logs are quite big, so you know the Yardmax can handle even the biggest at this rate.

The Best 35 Ton Log Splitters With Reviews
