built by Ford Australia that was introduced in April 2004 and produced until October 2016. It is based on the EA169 platform introduced by the 1998 AU series Falcon, and its internal project codename was E265. Winner of various automotive awards since its introduction, the Territory was the first SUV to win the coveted Australian title of Wheels Car of the ...

Ford Territory (Australia) - Wikipedia

Though the light display is visible across the territory, most northern lights tourism companies are based in Whitehorse. Get away from the city's light pollution and view the dramatic display from yurts and lodges or, for a real treat, combine northern lights viewing with a soak in the Takhini Hot Springs, just 20 minutes from the capital.

LED SAFETY LIGHTS - Ultimate LED Lights

"There are four lights!" Those are the final words Captain Jean-Luc Picard shouts out to his torturer, Gul Madred. Good prevails over evil and all is well with the world. And yet, in the epilogue to the story our hero acknowledges that he was ready to capitulate, prepared to recognize a lie as truth: it was the only way to escape physical pain.
