I purchased a VoiceStation 300 so we can make conference calls. The phone provider we have gives the participants a number and code to call in. My question is how do link all of the callers together using the system. The system came with no manual and the downloaded manual was no help. I am doing...

Hi. I have just purchased a Voicestation 300. It appears to start up OK, but there is no dial tone. I have tried it on 2 unrelated analogue lines, which work fine with normal phones. The main unit powers up, beeps when you dial, etc., but no dial tone (and cannot ring out or in). I notice the powe...
