Background. Mental health recovery is increasingly the focus of mental health policy, guidelines, and action plans worldwide. Recovery arose from the consumer survivor movement in the late 1980s as mental health service users began publishing on their own recovery experiences []. Personal recovery is not to be confounded with clinical recovery, the latter concept referring to measurable disease ...

Radiohead, a British Alternative Rock band, has been one of the most successful groups of the 1990s and 2000s, scoring big with critics and building a massive, devoted fanbase. Originally formed in Oxford under the name On a Friday in 1985, they changed their name a few years later in 1991 to Radiohead (taking it from a Talking Heads song) and released an EP, Drill.
