Technical writing principles strategies a...

However, you can learn strategies for developing human interest technical writing. Many of these strategies have been summarized and synthesized within the ARCS Model of Motivational Design (see John Keller, 2010). This model has four categories (Attention, Relevance, Confidence, and Satisfaction) that encompass most of the elements of human motivation, but the first two (Attention and Relevance) focus on principles, strategies, and tactics that can be applied to building human interest.

6 Strategies For Developing Human Interest Technical Writing

The traditional instruction of technical report writing leans heavily on the conventions of English grammar and on principles advocated by grammarians, journalists, and literature scholars.
