Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

The Knife Man Blood Body

The Knife Man is a rather unfortunate title and is probably partly why this book wasn't really at the top of my reading list. It ended up on sale, along with The Butchering Art, through Audible. If not for that sale, I probably would have skipped this one. that would have been a mistake.
