Oxford University Press. The title of the book refers to a trope in American literature representing the interruption of pastoral scenery by technology due to the industrialization of America during the 19th and 20th century. For example, the trope notably appears in Henry David Thoreau's Walden when the whistling sound of a steam

According to Joel  
Garreau's (1991)  
essay, "The Machine,  
the Garden, and  
Paradise," progress is  
less a thing and more  
of a process through  
which fundamental  
debates over public life  
are fought. He turns to  
Leo Marx to illustrate

# Read Book The Machine In The Garden

this process through which American public life may be defined by a struggle between two objectives of progress: the machine and the garden.
