Imam al-Jazuli, he is a king size wali. He's a wali, king size. And his wife, one time he woke up, and he noticed his wife was not there with him. It's very unusual. It's not like today. You wake up, you're wife not there, 'Oh, doesn't matter.' You go back to sleep. In the old days, what is a wife now? The maqam of a wife; holding the honor.
